We are proud that our Youth Zone teams reflect the communities they serve, and we value people working together from a range of different backgrounds, locally and nationally, and with different experiences, all with a shared passion for boosting the aspirations of young people across the country. Diversity brings innovation, fresh ideas and creativity, and we actively strive to create a culture that is truly inclusive and fair for all and where everyone in the team can be themselves and thrive.

ABOUT VAULT YOUTH ZONE

Preston is a great city but nearly one in four young people live in poverty, with some areas seeing that number rising to one in three in recent years. It's clear that greater support is needed and barriers to leading successful, happier and aspirational lives must be broken down. Vault, Preston Youth Zone will be a vital provision that will make a huge difference to the lives of young people, and to the whole city, levelling the playing field for our young people.

Construction of Preston Youth Zone, named "Vault" by local young people, is due to be completed in the summer of 2025 and will open later that year. At Vault, we believe all young people in Preston should have the opportunity to discover their passion and their purpose, to find out what they've got and where it could take them. Our Youth Zone will be a purpose-built space fizzing with energy and crammed with incredible facilities. It will be staffed by skilled and dedicated youth workers who truly believe in young people in the city – helping them see what they can achieve, and giving them the skills, confidence and ambition to go for it.

Once open, we will deliver life-changing support seven days a week to help thousands of young people from a diverse range of backgrounds to thrive.

Watch here you see the power of youth work and the impact attending a Youth Zone has had on young people and see the support Vault will provide to young people:
